Sections 103 and 104

Note that each opportunity is worth (at most) 2 extra credit points.

This document may be subject to change. Modifications will be made in red.

Opportunity #1

Please show me a valid calculator for the course by **Monday, February 9th**. You may show the calculator to me after class or during my office hours.

Opportunity #2

If 10 distinct students come to my office hours **throughout the month of March**, everyone receives 2 points. Otherwise, only those who attended will receive 2 points.

Opportunity #3

Please complete at least 8 problems of the past exam 3 questions (available on Achieve) by **Tuesday, April 7th at midnight** for 2 points. If you complete at least 4 problems but less than 8, you will receive 1 point.

Opportunity #4

Please complete the course evaluation survey and send me a screenshot supporting your completion by **Friday, May 1st at midnight**. Please do not send me the contents of your survey, as it should remain anonymous.
